

ENVIRONMENTAL POLICY STATEMENT

Bonner Rail Limited and its employees have a responsibility to protect the environment from all aspects of its work activities that are environmentally significant. Bonner Rail Limited takes its responsibilities very seriously in this respect and is committed to reducing the impact of its activities on the environment.

To this end Bonner Rail Limited recognises that there are many steps that it can take to continually improve its environmental performance, and thereby reduce or prevent damage to the environment. These steps can also add value to the business and make a positive contribution to the success of the company. Bonner Rail Limited does not believe that good environmental management and the financial well-being of the company are incompatible. In order to meet this commitment Bonner Rail Limited will pursue the following objectives:

- Set and monitor environmental objectives
- Assure compliance with all applicable environmental legislation
- Minimise the impact including the disposal of equipment and other physical assets
- Reduce emissions and help prevent pollution
- Improve waste management practices
- Reduce consumption of natural resources
- Minimise noise and other nuisances
- & ensure continual improvement in its environmental performance

The necessary personnel and financial resources will always be allocated to assist the company in meeting its environmental objectives. In addition, Bonner Rail Limited will continue to raise the levels of environmental awareness throughout its workforce and promote this awareness to clients and suppliers alike.

This policy will be reviewed annually as part of the management review process, to assure its continued relevance and adequacy.
